HAPPY NEW YEAR! A new year is starting with a great outlook. There are several projects in the planning stages. The first is to be a new entrance sign. The existing sign is old and coming apart. The new sign design is completed and the team will be starting on it shortly.

TOWING: You have probably noticed a few new signs around our community. Vehicles parked illegally within Wolhurst will be towed by Connelly's Towing. The vehicle's owner will receive one warning, and then towed if it happens again.

Treasurer.....Roxanne Schappaugh

Our December 1st Christmas meeting began with such merriment. Carrie Chambers had to bring us "to order" with a loud two-fingered whistle. We then welcomed our new member, Helen Demerest, always glad to have new members! Irene Lemon thanked us for our gift and thoughtfulness during her son's illness.

Secretary and Treasurer's report was read and approved. We will contribute one third of the cost for updated new television set for our hall purchased by George White on a Black Friday sale. Officers provided the luncheon. Carol Polcaro won the "Lot \$\$\$Raffle."

I loved the Christmas fashions our members wore; we had the festive spirit! January's meeting will be

a Ticky Tacky" theme. We expect to see Thrift Shop outfits and the menu to include peanut/jam sandwiches, Mac & Cheese and beans in a can. We finalized our meeting by sitting in a circle and exchanging/stealing Secret Santa gifts. Who knew such coveted presents could be purchased for \$10!

So, Happy New Year!! Our new board met a few weeks ago and came up with many new and creative activities for 2017. Come to our meetings and be a part of the fun.

Possible New Year's Resolutions from us to you readers:

We will do less laundry and wear more deodorant or perfume

We will eat more "fun" food like chocolate, Big Macs and corn dogs and less "unfun" food like vegetables, salads and soy nuts.

We will spend less time in our fleece robes playing on the computer in living room, we'll move to the bedroom instead.

On the serious side, we at Wolhurst, should refuel our life with a new enthusiasm that encourages us to be more active, involved and positive in our wonderful community that we are lucky to live in.

MEN'S CLUB Continued from page 2

Again, it was members of the Men's Club in a supportive effort with the ladies who helped with the table setup and tear down for the Thanksgiving dinner put on by the Women's Club. In recent calls for help, thanks go out to Roger & Jim and anyone else (you know who you are) for joining forces with several club members to accomplish park improvement projects.

This willing bunch of service-minded men are always looking for low-cost/minimal-labor ideas to act on to better the park, however, many such forthcoming projects may be put on the Spring calendar as we hunker down for a few months.

New members are always welcome!!!! Plan on joining us as an observer or a new member on January 18th, 2017 membership dues are \$5 and we welcome anyone desiring to become part of the group that **"Makes Things Happen!"**

NOTE FROM THE EDITOR: The lateness of the Gazebo is due to many factors; late copy, the holidays and my caterats. my one good eye is very cloudy and fuzzy. Bright lights irritate the eye something awful and as for typesetting, forget it. I do plan on surgery soon and by next month, I should be able to see better than I have in years. Next month I will catch up.
