WINTER IS COMMING: Mike and Larry will be checking water risers and heat tape in the next week or so. Look for a note on your door if there is a problem. No note, no problem. Also, you should check your home for drafts, water leaks, etc.

NSF CHECKS: There has been a significant increase in NSF checks in August and September. Check your bank balance when you write your space rent check. Make sure there are sufficient funds. Two or more NSF checks within 12 months, will result in you having to pay with money orders or cashier checks.

PICNIC AREA: Done. Thank you Men's Club. Check out the new fence to keep the geese out.

OFFICE CLOSURES: None

HOLIDAY SEASON: The holidays in November and December are fast approaching. If want to use the clubhouse, get your reservations in soon as the calendar is filling up fast.

WANT TO PAY THE STATE A FINE??

Feeding the wildlife is against the law and you are subject to a substantial fine for doing so. The geese are on the protected list. Don't feed them or the ducks!!!!

CLUBHOUSE COMPUTER:

The clubhouse computer in the blue room which allowed free access to the internet was stolen the week-end of September 17th and 18th. **It will not be replaced.** Free Wi-Fi is still available.

BEGINNING IN SEPTEMBER A NEW MEETING SCHEDULE FOR THE CLUB WAS ESTABLISHED. WE WILL BE MEETING AT 7 P.M. ON THE 3RD WEDNESDAY OF EACH MONTH.

Again, regular meetings have not been taking place, behind the scenes, the wheels of progress have produced a split-rail type fence surrounding the grounds around the pavilion with hopes of keeping geese out of the area. Soon, you will see the new fence having been stained and a screen attached to restrict the passage of geese and possibly rabbits into the enclosure.

The recently purchased kitchen vent hood will likely also be placed above the gas stove in the coming months.

New members always welcome!!!!

More things to be reported after our next meeting from the group that **"Makes Things Happen!"**

Ladies, Thank You for our terrific turnout and the delicious dishes at our September meeting!

Outgoing President Bobbi Shimpa called the meeting to order. Birthdays were celebrated, guests and new members welcomed. She gave an accounting of the successful auction and the two raffles. Looks good for that free Thanksgiving dinner.

The yearly audit was done and all is well. Thank You Julie Seremak and Jean Okerman.

The new officers swore in and the meeting was turned over to them. Our first order of business was a song sung by all the members to the outgoing officers. Donna Driver had graciously rewritten the words to "Thanks for the Memories". All three verses reminded us of all the fun we had had and them keeping us young with so many creative activities the past two years as officers.

Gari Reed spoke about Spooky Hollow on October 22nd. Lots and Lots of volunteers are needed. The Woman's Club takes care of after Spooky Hollow festivities. Watch for more details.

Our next meeting is the 3rd of October. Comfort food is on the menu.
